So beauty passes out of reach.
 Save to the heart where happiness is home.
 There beauty walks, wherever it may be
 And paints the sunset on the quiet sea.

The students of Santa Fe and the 1976 Legend staff wish to dedicate their Yearbook to Mrs. Edna Goodwin and say thank you for giving so much to Santa Fe.

The career center on the Santa Fe Campus is relatively new. However, its reputation for service and answers to questions is very well established. Students entering the Career Center always find it well organized and filled with information on every career opportunity.

The building of the Career Center required many hours of devotion and concern for the students of Santa Fe. Mrs. Edna Goodwin combined these hours with her outstanding teaching abilities and created one of the finest Student and Faculty Service Centers in the history of Santa Fe.

Behind the scenes of virtually every production on the Santa Fe Campus is Mr. Richard Clutter. Plays, musicals, assemblies, and homecoming events are enhanced through his skill and expertise. Often the only reward for countless hours of work is the personal satisfaction of doing something to the best possible level.

In the classroom students are given the opportunity to learn craftsmanship with a variety of materials and design ideas which gives each student the possibility for individual expression.

The students of Santa Fe and the 1976 Legend staff dedicate their Yearbook to Mr. Richard Clutter with a standing ovation, and say thank you for everything you do!

I, Carl Gonzales, leave you Santa Fe, my remembrance in surfing, skate boarding, water skiing, and surfer girls.

We, the Senior Class of 1976, will to Mr. Dandridge, Mrs. Noonan, and Mrs. Lee, Happiness the rest of your lives, for you have brought us much happiness.

I, Jesse Alvidrez, will to my five sisters the last of my money, which is twenty-five cents, to spend wisely at the snack shack.

I, Donna Faulkner, will to Santa Fe, my brother Ronnie, and my sister Tami, and to them the fun I had here.

Fastest Sophomore in the U.S.A.

Sal Peralta started running for Cross Country as a freshman. His first competition began with the California Invitational, where he broke the freshman record. When league cross country began he was able to establish himself as one of the two best runners in the Whitmont League. Sal continued to work out during the summer, competing in a number of invitational meets.

Now, as a sophomore he surprised everybody by setting 11 new course records. He was easily the league cross country champ and finished second in the AAA division beaten only by Notre Dame's Brian Russell, a senior, in the finals at Mt. Sac. As a result he was invited to the Sunkist Invitational Track Meet at the Sports Arena.

It was Sal's first time running in an invitational featuring world class performers. However he surprised everyone, running a meet record 4:10.6 to win his race. The clocking broke the national sophomore record of 4:15.6 set in 1975. He hopes to run under 4:10 mile and possibly break 9:00 in the two-mile by the end of the 1976 track season.

The 75-76 Majorettes gave some outstanding performances in half time shows and parades. As a result they took first place in the Whittier Band Jamboree.

Santa Fe's first challenge was against St. John Bosco, 1974 C.I.F. 2nd place team, with Fred Ford All-American running back. The offense came alive and the defense throttled Ford and the Chiefs opened 1975 with a 21-20 heartstopping win over Bosco. Bosco's bid for victory ended 5 inches short of the goal line as they tried for two points following their last touchdown.

The Second game was against St. Paul who were rated #1 in C.I.F. The defense held St. Paul to 6 points in the first half and 7 in the Second. The chiefs offense couldn't put things together due largely to 115 yards in penalties assessed against them. The final result was a disappointing 13-0 to St. Paul.

The first league game was against our arch rival Pioneer. Pioneer was really up for this game, they were 0-2 going into this contest. At half time the score Pioneer - 10 Santa Fe - 7 was a team of desperation. Coach Malstede delivered a speech that fired up the team to win the game. Final score Santa Fe - 20 Pioneer - 10.

The second league game was against California. The Chiefs were Sky high and Cal HI was no contest. Along with the Homecoming Court, Santa Fe looked upon their victorious team with a final score of 28-0.

The third league game was against Sierra. Our shutout was spoiled when Sierra scored with one minute left on the clock. Final score Santa Fe - 31 Sierra - 7.

The fourth game was for the championship and La Serna was undefeated and rated 11th in C.I.F., Santa Fe was undefeated in league and rated 6th in C.I.F. The Chiefs were ready for a tough test of their ability. The game began with a 45 yard gain by La Serna against a mistake by the Chiefs. La Serna Q.B. in the end zone for a safety and was followed a few minutes later by a T.D. Half time La Serna - 7 Santa Fe - 9. Second half was a seesaw battle until La Serna intercepted a pass and ran it to the two yard line. Two plays later the score was La Serna - 15 Santa Fe - 9. With 3 minutes to go the Chiefs were on the La Serna's ten yard line and Santa Fe threatening. The drive ended as the go ahead touchdown pass was knocked from Santa Fe's receiver. The final score ended with a disappointing La Serna - 15 Santa Fe - 9.

Montebello was the next opponent and they were tough and in contention. That night the offense got on track and the super Chief rolled up 42 points while the defense gave up 28. Kevin Hamilton tied the record for passing yardage in this Offensive show.

Whittier was the 6th league game. Prior to this contest, Hamilton gave each offensive lineman one of his hatchets to thank them for their protection against Montebello. The offense responded with a 45-6 win over Whittier.

Monte Vista was the last league game. Monte Vista wanted to win this game as revenge for the '74 loss to the Chiefs and a possible play off birth. The Chiefs were ready for the test and were victorious 25-8. The Chiefs final record was 7 wins 2 losses.

Santa Fe enter C.I.F. competition for the 5th consecutive year. Their next opponent would be St. Bernard, the Camino Real League Champs with an 8-1 record.

C.I.F.

W A T E R P O L O

Santa Fe's league Champion Water Polo team entered the C.I.F. competition this year with one of its finest teams. The Chiefs played well and fought their way into the semifinals against first ranked team Riverside Poly. The contest was even in the semifinals until the last 25 seconds when Riverside scored a goal which couldn't quite be matched. The final score was 5 to 6 and the Chiefs were out of C.I.F. competition. Santa Fe earned the honor of having two players named All C.I.F., they were Kevin Nagakawa and Steve Palaro.

FOOTBALL

The quarter final game was with Villa Park, the third place team in the Century League. Villa Park's defense had not allowed a team to score more than 2 touchdowns in 11 games giving up only 83 points total. This game was the Chiefs' low point of the season. It seemed as if nothing would go their way as many opportunities were missed along with numerous mistakes. The Chiefs were finally derailed by the score of 17-0 which ended their finest season.

WRESTLING

The Chiefs entered C.I.F. competition for their fifth consecutive undefeated season. Santa Fe entered five of their best wrestlers into the finals. Chris Cain, Paul Sevillano and Bob Saul did not do as well as they wished. Memo Reyes won three of his five matches and Kevin Pilon failed to wrestle as he did not make weight.

COACHES IN ACTION

This year's boys' athletic department was a very successful one. All teams did quite well and many teams entered C.I.F. competition. The credit goes to a lot of people, coaches, parents, faculty to help the athletes of Santa Fe to reach their goals. However if there is one person who helped all these athletes it would be Pete Tumminia. He has given up time and effort to meet the team's needs which led to their success. Pete Tumminia has proven himself to be a true Chief.

WATER POLO

The girls Water Polo team had one of its best seasons ever. The first game was against Whittier, a close game, ending in an upset against the Chiefs. The Chiefs were undefeated in all other league play. Santa Fe was also entered in the Whittier Tournament, the first girls Water Polo tournament. The Chiefs were undefeated in the tournament and the season ended with only one loss. This resulted in a first place tie between Muir, Whittier, and Santa Fe. Whittier did not offer to participate in a playoff, therefore, Muir, Whittier and Santa Fe remain tri-champs. However, next year will prove the true champions. In addition, Junior Varsity polo was undefeated.

C.I.F.

THE STRIVING FOR VICTORY IS MORE IMPORTANT THAN THE VICTORY ITSELF, BUT YOU CANNOT STRIVE FOR VICTORY, WITHOUT ESTABLISHING VICTORY AS THE GOAL.

T E N N I S

Freshman Valerie Sosa and senior Pam Bauman ventured into league finals as a doubles team after a successful season. Both played well in finals but had to settle for second to Whittier High. However the season was not over for the pair, as both had to contend with C.I.F. finals.

Their first 8 game pro-set was played against La Quinta High. The team did well and won the set after a tie breaker, 9 sets to 8. Their second round was against Troy High. Santa Fe fell short, 6 sets to 8 and was out of the finals. Valerie will return next year with another successful season.

The girls of the Santa Fe Volleyball Team decided early in the season to set three high priority goals: (1) To have an undefeated season. (2) To have first seed in the playoffs and (3) To win the C.I.F. Championship. The first goal was accomplished by defeating all seven league opponents twice for a perfect 14-0 league record. This record enabled them to earn their second goal, the first seed in the 32 team C.I.F. Championship play-offs.

In the play-offs, Santa Fe defeated Rolling Hills, Monrovia, Mayfair, and Hawthorne to reach the final round against Los Altos who fell quickly to the Chiefs 15-4 in the first game and 15-6 in the second. Santa Fe was led by it's three first team All Whitmont League players, Beckey Goodman, Debbie Meche, and Tammy Jernigan, with them and the rest of the team's efforts they were able to accomplish their set goals.

In the history of Santa Fe High School it was the first time any team had been seeded first and won a C.I.F. Championship.
